

THINKING ABOUT WAYS TO ENGAGE YOUR KINDERGARTENERS IN THE AFTERNOONS?

Come to BLC's Kindergarten Enhancement (KE) Class

Tuesday & Thursday afternoons (Wednesday 3rd day option)

... starting early November

1:15-3:15 pm...doors open at 1:00

for children enrolled in kindergarten in
public or private school

Our KE class focuses on District 205's kindergarten curriculum through an interest, play-based model. Children write stories, direct and perform in plays they write, play math games, estimate, graph, measure distances, investigate mass and volume, construct ramps and levers, participate in music class, and explore art, nature, and the world around them. We are licensed by DCFS, allowing for outdoor play. The children work in pairs and small groups, build critical thinking skills, and practice negotiation and cooperation –
ALL, WHILE HAVING FUN!

Evelyn - Mother of K.E. Student

Kindergarten Enhancement is a wonderful complement to my daughter's public school kindergarten class. The reading and math skills my daughter is learning in kindergarten are then presented in different ways at BLC. I like that she is continuing to develop her communication and organization skills through play!"

Todd - Father of K.E. Student

"KE was a perfect fit for our daughter. It's a wonderful mixture of enhancing what she is already learning in her morning kindergarten class. I would recommend the program to any parents of kindergarteners."

THIS IS NOT A DISTRICT 205 SPONSORED ACTIVITY
